

**Brian's Story:**  
I was born in Venezuela but grew up in the United States. Growing up I attended First Assembly of God in Rockwall, TX where I was saved and called into the ministry. I began ministering in this church in Children's ministry and bus ministry. I then attended Southwestern Assemblies of God University and received a degree in church ministries. After college I served as a youth

and children's pastor. I then served in various part-time ministry positions as I sought my Master's in Counseling. I completed my Master's in Counseling and am a Licensed Professional Counselor with the State of Texas. After completing my Master's I have worked on a church planting team while working in counseling related jobs. For the last 2 ½ years I have been serving as a Missionary Associate in Spain.

#### **Ruthie's Story:**

I grew up on the mission field in Madrid, Spain. My parents, Don and Cyndie Jeter, are missionaries to Spain. I completed a Teaching Degree at Southwestern Assemblies of God University and taught in the public school system. Soon after I served in the Missionary Kid office for the Assemblies of God and then was a personal assistant to speaker Alicia Chole. In 1999 I was a missionary associate in Palencia, Spain helping to start a church there. Upon returning to the U.S., I attended Vanguard University and completed a Master's in Clinical Psychology and am a Licensed Professional Counselor with the State of Texas. After obtaining my license I have served on a church planting team and as a counselor. In 2006 Brian and I married and we now have two beautiful children, Sara (3 years) and Daniel (1 year).

#### **Missionary Service and Future Plans:**

For the past 2 ½ years we served as the assistant pastors at the International Church of Barcelona. During that time we started home groups for young families and couples, disciple and mentored believers, provided counseling, and participated in the preaching ministry. Our desire is to return to Spain and work with the Spanish Assemblies of God in church planting and compassion ministries.
